#### Recommended tyres

When buying new tyres, we recommend that you choose those marked with the five-pointed star on the sidewalls. Extensively tested by BMW and tailored to your BMW model, they ensure an unforgettable driving experience. Your BMW Service partner will be happy to advise you.

#### 9 Mud flaps

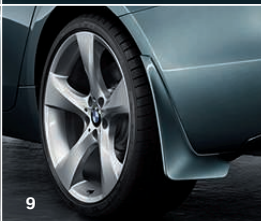

Protect your car and the vehicle behind from dirt and loose chippings. Available for front and rear wheels and painted in the vehicle's colour.

Information on all wheel and tyre combinations as well as other exterior products can be found in the Accessories section of the BMW website.

## GIVE EXTRA SPARKLE TO THE PERFECT TRIO.

The new BMW 5 Series Gran Turismo combines the stylish presence of a saloon with the sporty elegance of a coupé. The fascinating interplay of these two personalities gives the car a distinctive and entirely unique character. And yet it is still possible to make this character even more individual.

The extensive and multi-faceted products from Original BMW Accessories offer unparalleled creative freedom. Whether it is for the exterior or the interior, for communication and information or transport and luggage, they allow you to create your own vision of perfection with the BMW 5 Series Gran Turismo. You already make the perfect trio – give it extra sparkle with Original BMW Accessories.

# FREEDOM – FURNISHED IN LUXURY.

## ORIGINAL BMW INTERIOR ACCESSORIES.

### 1 Travel & Comfort system

This modular system is designed around a base attachment for the headrest bars. A coat-hanger, folding table, universal hook or Apple iPad holder (see p7) can then be fitted. The **coathanger** allows clothes to be transported without creasing. It can also be detached from the mounting and used to carry clothes outside the vehicle. The **folding table** gives passengers in the rear a convenient surface to put things on and is tilt and height-adjustable. It also includes a foldout cupholder with a stylish chrome-look ring. The **universal hook** offers a convenient place to hang light shopping bags, suit hangers and the like. The Travel & Comfort system is finished in a stylish matt black with silver highlights and goes perfectly with the interior of your BMW.

### 1 Backrest bag, Luxury

Your multi-faceted companion. The bag can be filled with small items before setting off and easily attaches to the rear of the driver's or passenger's seat. In a high quality combination of genuine leather and finely structured fabric. Also available in other combinations for the Sport and Modern versions as well as black.

### 1 Rear storage bag, Luxury

Striking design meets intelligent functionality. In hard-wearing material, the bag can be filled with items at home and attaches to the centre belt on the rear seat. In a high quality combination of genuine leather and finely structured fabric. Also available in other combinations for the Sport and Modern versions as well as black.

### 2 + 3 BMW child seats

The new Group 0+ BMW Baby Seat with ISOFIX, Group 1 BMW Junior Seat with ISOFIX and the Group 2/3 BMW Junior Seat with ISOFIX anchor points are child seats with a system – and systematic thinking. Suitable for children from 0-12 years (from approx. three to 36kg), they are safe and comfortable and feature integrated airpads for side impact protection that are also pleasantly soft in daily use. Available in black/Anthracite or black/blue.

### Group 0+ BMW Baby Seat with ISOFIX (pic 2)

Ideal seating for babies from 0 to 15 months (approx. 13kg). The child restraint system consists of a portable baby seat shell and ISOFIX base. The seat can also be attached to the vehicle using the safety belt.

### Group 1 BMW Junior Seat with ISOFIX

(not pictured)  
Particularly secure, rear-facing seats for children from approx. 10 months to three years (approx. nine to 18kg). Forward-facing seats are recommended for children from three years. Consisting of a seat shell with its own five-point harnessing system and ISOFIX base. Can still be used when an ISOFIX base is already in the vehicle.

### Group 2/3 BMW Junior Seat (pic 3)

Safe and secure driving pleasure for three to 12-year-olds. The Group 2/3 BMW Junior Seat adapts to the vehicle and is suitable for children of up to 150cm in height. The seat can also be connected to the vehicle's ISOFIX anchor points using its integrated connectors.

### 4 All-weather floor mats

A perfect fit, dirt and water-resistant. Available in black and beige.

### 4 Doorsill finishers, illuminated

With BMW logo, available for front and rear.

➤ Detailed information on the full range of BMW child seats and other interior accessories can be found on the BMW website.

# AND THE WORLD DRIVES WITH YOU.

## ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

### 1 Tablet DVD system

Two portable seven-inch monitors for mounting on the headrests. The DVD player, integrated into one of the monitors, plays video DVDs plus photo and audio CDs (including MP3 format). Pictures and music from USB sticks and memory cards can also be viewed/played. Perfect sound is delivered by **infrared stereo headphones** specially developed for the system. They offer individual volume control and excellent comfort.

### 2 Snap-in adapter

Docking system for current mobile phones from Apple, Nokia, Motorola, Samsung, Sony Ericsson and RIM BlackBerry®. In conjunction with the mobile phone preparation with Bluetooth interface, the adapter charges the phone while optimum network reception is ensured via the vehicle's external aerial. Depending on vehicle equipment and the mobile phone being used in the snap-in adapter, music files stored on the phone can be played and album covers are shown on the Control Display. BMW apps can also be used. Current information on Bluetooth compatibility for your vehicle can be found at [www.bmw.com/bluetooth](http://www.bmw.com/bluetooth).

### 3 BMW Car Hotspot LTE

The mobile internet experience has entered a new dimension. With the BMW Car Hotspot LTE, you and your passengers can go online with up to eight wireless devices – and all at LTE data speed. All that is required is for a SIM card to be inserted into the BMW Car Hotspot LTE or a mobile phone with a SAP interface. The BMW Car Hotspot LTE fits into the snap-in adapter in the centre armrest or, thanks to its integrated battery, can be used outside the vehicle. If the LTE network is not available, UMTS (HSDPA) or GSM can be used. Roaming while abroad can be optionally deactivated.

### 4 BMW holder for Apple iPad

Rear passengers can simply snap in any iPad model to the base support of the Travel & Comfort system (see page 4) for ease of use. Adjustable for height and angle, the holder can also be placed in a provided stand and used outside the vehicle.

### Digital roadmaps (not pictured)

Up to 15 per cent of the road network changes every year, but with the latest digital roadmaps you are always in the picture. Depending on country version, they offer

congestion warnings and RDS/TMC (Traffic Message Channel) functions. Model-dependent annual updates, including certificate, are available via DVD or USB stick.

### 5 Digital wireless headphones

In an exclusive BMW design and made specially for the optional Rear Entertainment system. With digital, interference-free transmission, volume control, excellent sound imaging and high comfort.

### USB charging adapter (not pictured)

A highly convenient way to charge mobile devices in the car via the cigarette lighter socket. Suitable for iPhone, iPad and many other mobile USB devices.

## ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.

### 1 Bicycle/e-bike holder for trailer tow hitch

For transporting up to two bicycles or e-bikes. An extension set for a third bike is available. The holder and bikes are secured against theft. The holder pivots down to allow tailgate access and can be folded and stored in the boot.

### 1 Trailer tow hitch with fully electric swivelling tow ball

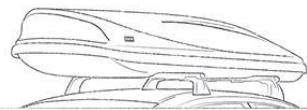

For high trailer loads of up to 2,100kg, with a nose weight of up to 90kg. With trailer stability control. When the tow ball pivots to the side, the tow hitch is not visible.

### 2 + 3 BMW roof boxes

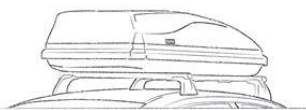

Easy loading and unloading thanks to an innovative system that opens from both sides. Highly secure thanks to integrated, triple central locking. Available with a 460-litre (pic 3) or 320-litre capacity in silver, black, white or titanium. A 350-litre silver version is also available.

2

BMW roof box 460, LxWxH: 230x82x37cm

BMW roof box 350, LxWxH: 140x90x39cm

BMW roof box 320, LxWxH: 191x64x39cm

### 2 - 6 BMW base support system, lockable

Maximum permissible roof load: 100kg. With support bars in high-strength aluminium tubing, the BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements.

### 6 Raised carrier bars

For the BMW ski and snowboard holder. The extension provides 25mm of extra room for individual bindings. For even easier securing of skis/snowboards with higher bindings.

### Ski rests in roof box (not pictured)

Available for BMW roof boxes 460 and 320.

### 4 Racing cycle holder, lockable

Suitable for bicycles with quick-release levers on the front wheel. A holder for securing the front wheel to the base support system is also available.

### 5 Touring cycle holder, lockable

Robust attachment for transporting a bicycle with a frame diameter of 22 to 80mm. Also suitable for a mountain bike with a tyre size of 25 inches. A bike can be quickly attached to the holder with a simple mounting system.

### 6 Ski and snowboard holder, lockable

Suitable for carrying up to two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

**1 Ski and snowboard bag, Luxury**

Unlike other similar products, this allows up to four pairs of skis or three snowboards to be transported securely and cleanly. It attaches to the front lashing eyes in the luggage compartment, is easy to detach and also has two wheels so the bag can be pulled with ease outside the vehicle. Tested according to high BMW quality and safety standards. In a high quality combination of genuine leather and finely structured fabric and featuring the BMW logo in a metal insert. Also available in other material combinations for the Sport and Modern versions as well as black.

**2 Luggage compartment mat, fitted**

Non-slip, precision-fit mat in durable plastic. Oil and solvent-resistant.

**3 Luggage compartment tray**

Shatter-proof, impact- and acid-resistant. The tray is also a seamless fit with luggage compartment.

**4 Luggage compartment mat, reversible**

Reversible mat features one velour and one anti-slip plastic surface. When unfolded, the mat covers the folded down rear bench. With protective mat for the loading sill.

**4 Lines folding box**

The non-slip Lines folding box with rubber studs can be folded up when not in use to save space. It is also watertight and features a strap inside for securing bottles, for example. Available in two sizes with red, beige or black trim and BMW side lettering.

**5 Powder fire extinguisher**

Ready for use under the seat.
