# THE BMW X5. ORIGINAL BMW ACCESSORIES.

ENTER A WORLD OF ENDLESS POSSIBILITIES.

## PIONEERING. THE NEW BMW X5.

The BMW X5 is back. Now with even more expressive power and athletic ability, the third-generation model sets new standards in the segment it founded. This vehicle offers almost certainly the finest combination yet of exceptional luxury, unique comfort, powerful sportiness and, not least, the freedom to choose your own path.

So why not start here and now? Original BMW Accessories, with their innovative ideas and functional versatility, offer seemingly limitless possibilities to meet your every need. Along with a wide range of accessories from the factory, whether it's for the exterior or the interior, for communication and information or transport and luggage, they also give incomparable character to your BMW – your character.

## MORE CHARACTER. MORE PRESENCE.

ORIGINAL BMW EXTERIOR ACCESSORIES.

### 1 + 9 21" light alloy wheels Double-spoke 215 Ferric Grey Cast.

### 1 M Aerodynamics package

The dynamic appearance of the BMW X5 is powerfully underscored by the M front apron, the M rear apron and the M side sills. The M Aerodynamics package is part of the M Sport package but can be fitted individually.

### 2 21" BMW M Performance light alloy wheels Double-spoke 599 M Bicolor Orbit Grey Cast.

### 3 21" BMW M Performance light alloy wheels Double-spoke 310 M Bicolor Ferric Grey Cast. Burnished on visible sides.

### 4 21" BMW Performance light alloy wheels Y-spoke 375 Bicolour Ferric Grey Cast. Burnished on visible sides.

### 5 21" light alloy wheels Star-spoke 128 Liquid Black Cast.

### 6 21" light alloy wheels Double-spoke 215 Black, high-gloss Cast.

### Recommended tyres

When buying new tyres, we recommend that you choose those marked with the five-pointed star on the sidewalls. Extensively tested by BMW and tailored to your BMW model, they ensure an unforgettable driving experience. Your BMW Service partner will be happy to advise you.

### 7 + 8 Pure Experience exterior design

The perfect combination of athleticism, aesthetics and adventure. The optional Pure Experience design underscores the untamed spirit and sophisticated character of the BMW X5. Visible underbody protection, front and rear and for the side skirts, is made in brushed stainless steel. The front air intakes, with their contrasting black gills and matt Silver clasps, also impress. Other elements in this design package include matt Silver exhaust pipe finishers and a rear bumper trim. The Pure Experience exterior design can also combine perfectly with other accessory products.

### 7 + 8 Aluminium running boards

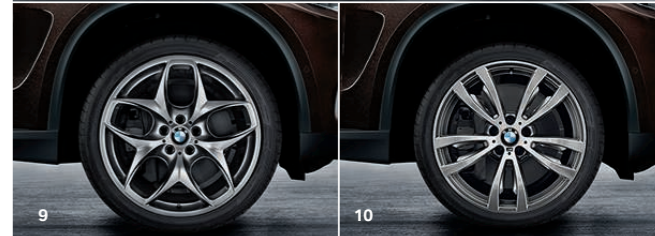

With a widened step area. In brushed, anodized aluminium.

### 7 + 8 Mud flaps

Protect your car and the vehicle behind from dirt and loose chippings. Available for front and rear wheels.

### 10 20" light alloy wheels Double-spoke 469 M Bicolor Ferric Grey Cast. Burnished on visible side.

Information on all wheel and tyre combinations as well as other exterior products can be found in the Accessories section of the BMW website.

#### 1 - 3 BMW child seats

The new BMW child seats are particularly safe and comfortable and feature integrated airpads that protect the head in a side impact. They are also pleasantly soft in daily use. Available in black/Anthracite or black/blue.

#### Group 0+ BMW Baby Seat with ISOFIX (pic 3)

The ideal seat for babies from 0 to 15 months (approx. 13kg). The restraint system comprises a portable baby seat shell with removable sun protection and integrated airpads as well as an ISOFIX base. The seat can also be attached without an ISOFIX base by using the safety belt. Comfortable straps with a five-point system as well as magnetic clips all make it easy to buckle up, while one-handed belt-height adjustment with a visual display ensures an optimum fit. Also suitable for aircraft seats (without ISOFIX base – TÜV-Rheinland certified).

#### Group 1 BMW Junior Seat with ISOFIX (pic 2)

The Group 1 Junior Seat is ideal for children from 10 months to 3.5 years (approx. 9-18kg). It consists of a seat shell with a five-point belt system, integrated airpads and an ISOFIX base, which can also be used for the Baby Seat 0+ and the Junior Seat 1. The seat shell, together with the ISOFIX base, can be attached to the vehicle. Children are at their safest when the seat is rear-facing, although forward-facing attachment is possible. Magnetic clips, the comfortable five-point belt system and one-handed height adjustment all make it easy to buckle up.

#### Group 2/3 BMW Junior Seat (pic 1)

Safe and secure driving pleasure for children from about three to 12 years old (approx. 15-36kg and 95-150cm) thanks, in particular, to integrated airpads. The backrest angle fits the seat perfectly and the seat attaches to the vehicle via the three-point belt. It can be connected to the ISOFIX anchor points and features convenient one-handed operation. Additionally, patented height and width adjustment allows the scale of the seat to expand over time, exactly as required. A patented backrest folding function allows easy carriage outside of the vehicle, eg. when travelling.

#### 1 Sunblind

The one-piece sunblind attaches quickly and easily to the rear side windows for protection against direct sunlight. A perfect match for the current generation of BMW child seats. When not in use, a supplied nylon bag allows for easy, space-saving transport.

#### 4 - 7 Travel & Comfort system

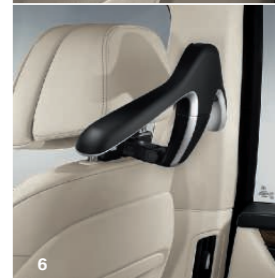

The base attachment for this modular system simply mounts between the headrest bars and can be used for hangers, a folding table, a universal hook or an Apple iPad holder (see page 11).

#### 8 LED torch, rechargeable

This pocket-sized torch can be connected to the 12V socket for charging.

#### 9 Auxiliary heating

For a comfortable, warm interior and defrosted windows before any winter drive. Activated via the Control Display and remote control incl. display and timer programming. The auxiliary heater in vehicles with ConnectedDrive can also be activated, regardless of distance, using the BMW Remote app and an iPhone.

**THE ESSENTIALS – AND THE ESSENTIAL EXTRAS.**  
ORIGINAL BMW INTERIOR ACCESSORIES.

### 1 Backrest bag, Luxury

Your multi-faceted companion. The bag can be filled with small items before setting off and easily attaches to the rear of the driver's or passenger's seat. In a high quality combination of genuine leather and finely structured fabric. Also available in other material and colour combinations.

### 1 Rear storage bag, Luxury

A combination of exceptional design and intelligent functionality. The bag can be packed with items at home and attaches to the back seat with the centre seat belt. In a high quality and durable combination of genuine leather and finely structured fabric. Also available in other material and colour combinations.

### 2 Ski boot bag

A beautifully designed ski boot bag that can also hold ski goggles and a helmet. It perfectly complements the BMW X5 and can be used outside the vehicle. Excellent carrying comfort is guaranteed thanks to attractive handles and a useful shoulder strap. In black/silver.

### 3 Ski and snowboard bag, Luxury

Unlike other similar products, this allows up to four pairs of skis or three snowboards to be transported safely and cleanly. Attaches securely to the front lashing eyes in the luggage compartment, is easy to detach and also has two wheels so it can be pulled with ease outside the vehicle. Tested according to strict BMW quality and safety standards. In a high quality combination of genuine leather and finely structured fabric and featuring BMW lettering on the metal inserts. Also available in other material and colour combinations.

### 4 - 6 Floor mats

A perfect fit, dirt-resistant and available in different materials. The mats coordinate perfectly with other Original BMW Accessories for the interior.

#### All-weather floor mats (pic 4)

Extremely durable, waterproof and with high quality BMW stainless steel inserts. Available in Anthracite.

#### Textile floor mats (pic 5)

Very robust due to a unique rubber/textile combination and featuring high-quality BMW stainless steel inserts. Available in Anthracite.

### Floor mats, velour (pic 6)

With embroidered BMW lettering in the colours Anthracite, Canberra Beige or Oyster.

### 7 Key case

Case in fine leather, featuring a high quality clasp in brushed stainless steel. A very appealing combination of elegance and functionality.

# ON THE MOVE BUT STILL STATE OF THE ART.

## ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

### 1 BMW holder for Apple iPad

Rear passengers can simply snap in an Apple iPad to the base support of the Travel & Comfort system (see page 7) for ease of use. Adjustable for height and angle, the holder can also be placed in a provided stand and used outside the vehicle.

### 2 Snap-in adapter

Docking system for current mobile phones from Apple, Nokia, Samsung and BlackBerry®. In conjunction with the mobile phone preparation with Bluetooth interface, the adapter charges the phone while optimum network reception is ensured via the vehicle's external aerial. Depending on vehicle equipment and the mobile phone being used in the snap-in adapter, music files stored on the phone can be played and album covers are shown on the Control Display. BMW apps can also be used. Current information on Bluetooth compatibility for your vehicle can be found at [www.bmw.com/bluetooth](http://www.bmw.com/bluetooth)

### 3 BMW Car Hotspot LTE

Taking the mobile internet experience into a new dimension. With the BMW Car Hotspot LTE, you and your passengers can go online with up to eight wireless devices – at the speed of LTE. All that's required is for a SIM card to be inserted into the BMW Car Hotspot LTE. It fits into a centre armrest dock or, thanks to its integrated battery, can be used outside the vehicle. If the LTE network is not available, UMTS (HSDPA) or GSM can be used. Roaming while abroad can be optionally deactivated.

### 4 Tablet DVD system

Two portable seven-inch monitors for mounting on the headrests. The DVD player, integrated into one of the monitors, plays video DVDs plus photo and audio CDs (including MP3 format). Pictures and music from USB sticks and memory cards can also be viewed/played. Perfect sound is delivered by **infrared stereo headphones** specially developed for the system. They offer individual volume control, excellent sound imaging and high comfort. Also available as a single tablet DVD system with only one portable screen featuring an integrated DVD player.

### 5 USB battery charger

A highly convenient way to charge mobile devices in the car via the cigarette lighter socket. A dual USB battery charger for simultaneous charging two mobile devices is also available.

### 6 Digital wireless headphones

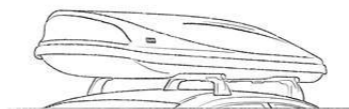

In an exclusive BMW design and made specially for the optional Rear Entertainment system. With digital, interference-free transmission, volume control, excellent sound imaging and high comfort.

### 7 Digital roadmaps

Up to 15 per cent of the road network changes every year, but with the latest digital roadmaps you are always in the picture. Depending on country version, they offer congestion warnings and RDS/TMC (Traffic Message Channel) functions. Model-dependent annual updates, including certificate, are available via DVD or USB stick.

## ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.

4 BMW roof box 460, LxWxH: 230x82x37cm

BMW roof box 350, LxWxH: 140x90x39cm

BMW roof box 320, LxWxH: 191x64x39cm

### 1 - 4 BMW base support system, lockable

Maximum permissible roof load: 100kg. With support bars in high-strength aluminium tubing, the BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements.

### 1 + 4 BMW roof boxes

Easy loading and unloading thanks to an innovative system that opens from both sides. Also highly secure due to integrated, triple central locking. Available with a 460-litre (pic 1) or 320-litre capacity in silver, black, white or titanium. A 350-litre silver version is also available.

### Ski rests in roof box (not pictured)

Available for BMW roof boxes 460 and 320.

### 2 Ski and snowboard holder, lockable

Suitable for carrying up to six pairs of skis, four pairs of skis with ski poles or two snowboards with one pair of skis. For easy mounting of skis/snowboards with higher bindings, the optional **raised carrier bars** create an extra 25mm of clearance from the roof.

### 3 Luggage rack

For the safe transport of bulky items. The luggage rack is fixed to the base support system and has a high load capacity. In sturdy lightweight aluminium, rust-proof and easy to fit.

### Universal holder (not pictured)

Provides secure support even for large, bulky items. Consists of four infinitely adjustable holders, four strap eyelets and two tensioning belts.

### 5 Fitted luggage compartment mat

Precisely fitting, non-slip mat in hard-wearing plastic. Oil and solvent resistant.

### 6 Luggage compartment tie-down straps

Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

### 7 Luggage compartment net

Secures a variety of items quickly and easily to existing eyelets.

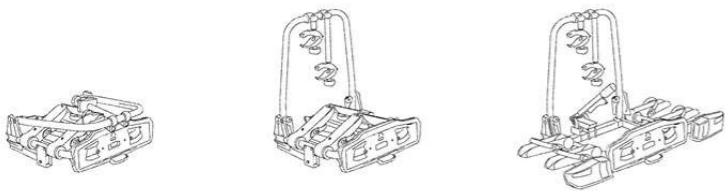

### 8 Loading sill mat

This padded non-slip mat folds out over the loading sill to protect it from damage. It also provides a place to sit.

### 8 Folding box

The non-slip folding box can be folded up when not in use to save space. With a beige trim and BMW side lettering.

### 1+2 Bicycle/e-bike holder for trailer tow hitch

For transporting up to two bicycles or e-bikes. An extension set for a third bike is available. The holder and bikes are secured against theft. The holder pivots down to allow tailgate access and can be folded and stored in the boot. With selected engines, a folding heat shield protects the bicycle tyres from hot exhaust gases.

### 2 Trailer tow hitch

The trailer tow hitch with trailer stability control is the perfect partner for the BMW X5. Approved for high towing capacity, up to 2,700kg (with a tow bar download of up to 140kg). When the tow bar is removed, the tow hitch is not visible. Also available with a fully electric, pivoting tow bar.

### 3 Racing cycle holder, lockable

Suitable for bicycles with quick-release levers on the front wheel. A holder for securing the front wheel to the base support system is also available.

### 4 Touring cycle holder, lockable

Robust attachment for transporting a bicycle with a frame diameter of 22 to 80mm. Also suitable for a mountain bike with a tyre width of up to 2.5 inches. A bike can be quickly attached to the holder with a simple mounting system.

## SPA TREATMENT FOR YOUR BMW.

Sparkling paintwork, immaculate leather, a highly polished look. With Original BMW Care products, you can give your BMW some very special treatment. Perfectly designed for high-quality materials, they provide gentle care and strong protection. And whether it's for the interior or the exterior, the wheel rims or the windscreen, you will always find exactly the right solution for any task.

### PREMIUM CARE WITH ORIGINAL BMW CARE PRODUCTS.

## AN ATMOSPHERE OF PURE WELL-BEING.

BMW Natural Air products are the most convenient way to create a refreshing interior atmosphere. Fragrance sticks can be placed in a special holder that attaches quickly and easily to any BMW ventilation grille. The sticks are interchangeable and the intensity of their scent can be adjusted by hand. The BMW Natural Air starter kit comprises a holder, colour-matched to the interior, and a fragrance stick in either Purifying Green Tea, Energizing Tonic or Balancing Amber. And there's no chance of any leakage because the sticks contain no fluid.

Create an atmosphere of well-being and an even more enjoyable ambience – with scents extracted from essential natural oils and made exclusively for BMW.
