THE NEW BMW 2 SERIES ACTIVE TOURER. ORIGINAL BMW ACCESSORIES.

ENTER A WORLD OF ENDLESS POSSIBILITIES.

International version. Please contact your local dealer for country specific information.

THE ADVENTURE STARTS HERE.

The new BMW 2 Series Active Tourer breaks barriers and builds bridges. Welcome to an inspiring new world of intelligent flexibility, convenience and safety for your everyday adventures. And whether it's for the exterior or the interior, for communication and information or for transport and luggage – with Original BMW Accessories, it's entirely up to you how this world takes shape.

1 Bicycle/e-bike holder for trailer tow hitch

The bicycle holder for two bikes/e-bikes can be mounted on the trailer tow hitch and features a fold-down function for easy access to the luggage compartment. A ramp for convenient loading, an extension set for a third bike and a transport bag are separately available.

1 + 6 19" light alloy wheels Turbine Styling 487

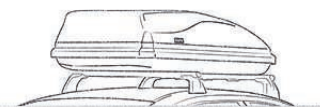

The high quality 19" light alloy wheels are in Bicolor Ferric Grey, burnished and impress with their captivatingly sporty look.

2

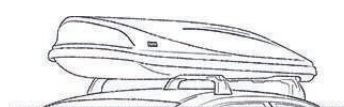

BMW roof box 460, LxWxH: 230x82x37cm

BMW roof box 350, LxWxH: 140x90x39cm

BMW roof box 320, LxWxH: 191x64x39cm

2 + 3 BMW roof boxes

These contemporary boxes fit all BMW rail carrier systems and feature a two-side opening function with triple central locking on each side. In three sizes – 320, 350 and 460 litres (pic 3) – and four elegant colour combinations.

3 BMW rail carrier

This stable carrier can be mounted without tools and is suitable for all BMW rail carrier attachments and roof boxes. It also complies with the highest quality and safety requirements.

4 Luggage compartment mat, fitted

This non-slip, water-resistant and durable fitted mat with raised edging protects the boot from dirt and moisture. It also has pockets, left and right, for storing smaller items. Available in black, black/red and black/beige (pic 4).

4 Loading sill mat

This robust mat protects the load sill from scratches and dirt when loading and unloading the car. It is attached using sliding velcro closures and the lashing eyes in the luggage compartment. Can also function as an anti-slip mat.

4 Folding box

This has a capacity of 20kg and is ideal for carrying smaller items or for use as a shopping crate. Velcro fastenings make it quick and easy to set up and fold down, it is non-slip and can be stored to save space. Available in black, black/red and black/beige (pic 4).

5 18" light alloy wheels Double-spoke 361

These high quality 18" light alloy wheels are in Bicolour Orbit Grey, burnished and, with their two-colour finish, add a particularly sporty touch to the vehicle.

6-7 Travel & Comfort system – base support

Mounted on the front headrests, this provides fixed support for the clothes hanger, the folding table, the universal hook or the Apple iPad™ holder.

6 Travel & Comfort system – folding table

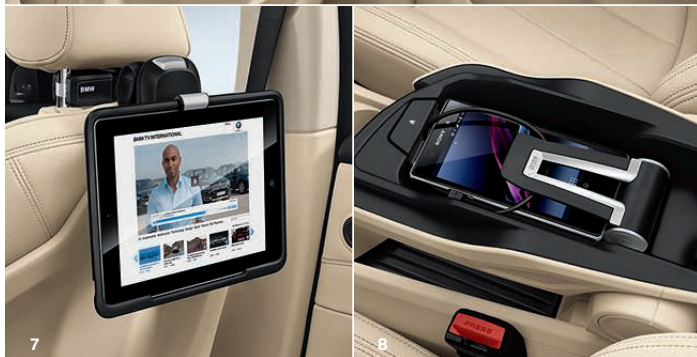

The Travel & Comfort system folding table features an attractive BMW design and is easily mounted to the base support (required) via modular plug-in connectors. The folding table can be adjusted for height and angle and has an integrated cupholder with a chrome ring.

7 Travel & Comfort system – Apple iPad™ holder

The Apple iPad™ holder, part of the Travel & Comfort system, docks easily and securely into the separately available base support via plug-in connectors. It can also be adjusted to perfectly suit any rear passenger thanks to its freely rotating frame. The holder additionally features an integrated support for free-standing use outside the vehicle with full operating convenience.

8 Snap-in adapter

A secure docking and charging system for mobiles from Apple, Samsung, Nokia, Motorola and other manufacturers. To ensure optimal network connection, the adapter uses the vehicle's exterior aerial. The Snap-in adapter is available in Basic, Music, Media, Connect and Connect Universal (pic 8) versions to suit the vehicle and its equipment. These allow audio stored on a mobile to be played through the vehicle's speakers. The adapter also enables convenient operation via the iDrive Controller, multifunction steering wheel or radio.

9 Textile floor mats

These perfect-fitting textile floor mats for the front foot wells provide effective protection from dirt and moisture. They feature a discrete BMW logo, waterproof rubber backing and additional heel pads.

10 All-weather floor mats

These precisely-fitting, hard-wearing mats, with their raised edging and attractive design, do not just protect the front footwells from moisture and dirt, they also prevent feet from getting wet. Finished in matt black and with beige bordering, they are a perfect match for equipment in Canberra Beige.

11 Storage bag, rear

Available in black, black/red or black/beige (pic 11), this bag can be attached using the middle seat belt and also functions as a rear armrest. With two cupholders

and several inside and outside pockets, it offers plenty of storage and can be carried in comfort thanks to its integrated shoulder strap.

12 Sunblind for the side window

The sunblind is very easy to mount, can be used when the window is open and provides tailor-made protection from direct sunlight.

12 Group 1 BMW Junior Seat with ISOFIX

The Group 1 BMW Junior Seat in black/blue (pic 12) or black/Anthracite is, in conjunction with the ISOFIX base, the safe choice for children from around 12 months to four years (approx. 9–18kg). It can be attached in a forward or rear-facing position and, with its patented air pads, offers extra side impact protection for the head. Other versions are available for different age groups.

Original BMW Accessories
wins design award.

BMW child seats are among
the winners in 2014.
