# THE NEW BMW 4 SERIES. ORIGINAL BMW ACCESSORIES.

ENTER A WORLD OF ENDLESS POSSIBILITIES.

## A COMPELLING FIRST IMPRESSION.

The new BMW 4 Series has irresistible appeal. Whether it's the BMW 4 Series Convertible, the BMW 4 Series Coupé or the BMW 4 Series Gran Coupé, its commanding presence is established the very second it appears. Is it the intoxicating promise of freedom? Is it the powerfully characterful design with its dynamically stretched bonnet? Or could it be the broad, athletic stance? The decision is yours.

It is also your decision when it comes to giving the BMW 4 Series even more expressive, individual character. Original BMW Accessories offer a fascinating world of aesthetically compelling design and maximum functionality – whether it's for the exterior or the interior, for communication and information or for transport and luggage. Give your BMW 4 Series a truly unique look – for a first impression that lasts.

## ELEGANCE AND ATHLETICISM IN PERFECT UNITY.

ORIGINAL BMW EXTERIOR ACCESSORIES.

# BMW M PERFORMANCE ACCESSORIES FOR THE BMW 4 SERIES.

A selection of high-tech aerodynamics, chassis, drive and cockpit components that give your BMW 4 Series even more of a racing feel. Powered by M.

## 1 BMW M Performance Aerodynamics package

For even better aerodynamic values and perfectly adapted to the BMW 4 Series. Front bumper components include a splitter, rear spoiler and diffuser. A strong BMW M Performance Parts statement is also made by the trim for the side sills with M Performance lettering. The BMW M Aerodynamics package is required for this feature.

## 1 BMW M Performance accent stripes

With the stripes in black/red (pic 1) or black/silver (not pictured), the car's powerful contours are emphasised even further. They also lend a more athletic and expressive appearance.

## 1 20" BMW M Performance light alloy wheels Double-spoke 624 M

The high quality 20" light alloy wheels Double-spoke 624 M are in Bicolour matt Black, forged and milled and feature the four-colour M logo.

## 1 BMW M Performance exhaust system

For an impressively sporty sound – inside and out. In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.

## 1 BMW M Performance carbon rear spoiler

The carbon rear spoiler ensures optimal aerodynamics values. It is hand-made and comprised of 100% carbon fibre, an extremely exclusive material. Only available in conjunction with the BMW M Performance carbon front splitter.

## 2 BMW M Performance Alcantara steering wheel II with carbon trim and race display

The Alcantara steering wheel II with carbon trim and race display has an integrated function read-out in the upper part of the rim. The latest OLED technology and two-colour LED displays enable the Race, Sport and EfficientDynamics modes to be operated via buttons integrated into the thumbrest area.

## 3 BMW M Performance front splitter, carbon

The carbon front splitter emphasises the car's sporty design. Hand-made in 100% carbon. Only available in conjunction with the BMW M Sport package or the BMW M Aerodynamics package, as well as the BMW M Performance carbon rear spoiler

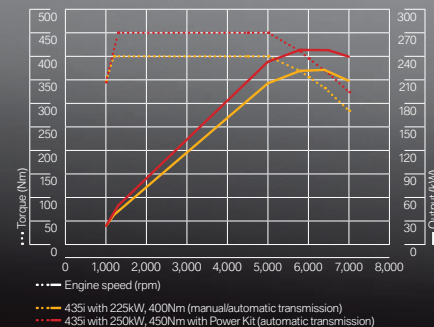

## 4 BMW M Performance Power Kit

The Power Kit for the 435i, using new engine data, raises output, torque (250kW/450Nm with the automatic transmission; 430Nm with the manual) and sprinting power without any increase in fuel consumption in the standard cycle. The kits are developed in accordance with the high standards of the BMW Group, including, in particular, long-term quality and safety tests. Also available for the 420d and 430d.

## THE DISTINCTIVE DIFFERENCE.

ORIGINAL BMW INTERIOR ACCESSORIES.

### 1 - 4 Travel & Comfort system – base support

Mounted on the front headrests, this provides fixed support for the clothes hanger, the folding table, the universal hook or the Apple iPad™ holder.

### 1 Travel & Comfort system – folding table

The Travel & Comfort system folding table features an attractive BMW design and is easily mounted to the base support (required) via modular plug-in connectors. The folding table can be adjusted for height and angle and has an integrated cupholder with a chrome ring.

### 2 + 3 Travel & Comfort system – clothes hanger

The Travel & Comfort system clothes hanger in an attractive BMW design allows for the hanging of clothes on the rear of the backrest. Plug-in connectors make it easy to attach to the base support (required). The hanger can also be used outside of the car (hotel function, pic 2).

### 4 Travel & Comfort system – universal hook

The Travel & Comfort system universal hook allows items of clothing or light bags to be safely hung up at back of the seat, thus protecting them from dirt in the footwell. And thanks to plug-in coupling, it is easy to attach to the base support (required).

### 5 Auxiliary heating

The powerful auxiliary heating ensures that the interior is a pleasant temperature and that the windows are not iced up or fogged before the start of a journey. It is operated by the T91 or T100 radio remote control or, regardless of range, by mobile phone or smartphone with the BMW Thermo Call app.

### 6 Key case, Luxury

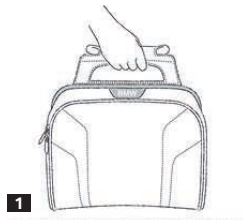

This elegant key case is made of high quality leather and is secured to the key by means of a stylish metal clasp. It protects from scratches, dirt and water and also prevents unintentional activation of the buttons. Additionally, its black-brown colouring makes it a perfect match for the Luxury line.

### 7 LED torch, rechargeable

This rechargeable LED torch features an elegant stainless steel design, low power consumption, long life and excellent brightness of 10 lux. The powerful battery is charged by simply plugging the torch into the on-board 12-volt outlet.

➤ For detailed information about the full range of components for the interior of your BMW 4 Series, visit the Accessories section of the BMW website.

### 1+2 Backrest bag

This high quality bag is made in a durable material and attaches to the rear of either front seat. Featuring various closable inside compartments, it offers plenty of storage

space. It also folds up as required and is easy to carry. Available in black, black/red and black/beige (pic 2).

### 2 Storage bag, rear

Available in black/beige (pic 2), black or black/red, this bag can be attached using the middle seat belt and also functions as a rear armrest. With two cupholders and several inside and outside pockets, it offers plenty of storage and can be carried in comfort thanks to its integrated shoulder strap.

### 3 Travel Set

The Travel Set comprises a cabin-size trolley case and a carry-on bag, which can be used to create additional storage space on the rear seat. The luggage items can be transported singly or stacked together. They are held

in place using the seatbelt and feature their own anti-theft locks.

### 4+5 Glasses and CD/DVD holder

This innovative holder is made in a flexible material so it can be simply pulled into place around the sun visor. It can hold up to four CDs or DVDs on the rear side and, on the front, a net offers ideal storage for glasses and sunglasses.

### 6 BMW M leather gear lever

Rounds off the exclusive interior of the BMW 4 Series in style.

### 6 Handbrake handle, Luxury

The stylish handbrake handle is finished in high quality black Mano leather. Featuring a central accent strip in Saddle Brown Dakota Leather, it fits perfectly with the Luxury line while also impressively complementing the vehicle's elegant character.

### 6 BMW M doorsill finishers

With M lettering.

### 6 All-weather floor mats

These perfect-fitting, hard-wearing mats with their raised edging and attractive design do not just protect the

footwells from moisture and dirt, they also prevent feet from getting wet.

### 7 Textile floor mats, Luxury

The elegant textile floor mats, with their deep black look, light stitching and high quality metal inserts, emphasise the premium exclusivity of BMW. A perfect fit, with waterproof rubber backing and raised edging, they also effectively protect the footwells from moisture and dirt.

### 8 Floor mats, velour

Available in Anthracite (pic 8), grey, beige or Truffle Brown.

## Original BMW Accessories wins international design award.

The Red Dot Product Design Award has been a recognition of outstanding design since 1955 and the Red Dot is a globally recognised mark of quality. The BMW all-weather floor mats were among the winners in 2013.

**1 Group 0+ BMW Baby Seat with ISOFIX**

Available in black/blue (pic 1) or black/Anthracite, the portable baby seat offers maximum safety for children up to approx. 13kg (about 15 months old). It can be used either in conjunction with the separately available ISOFIX base or attached via the three-point safety belt and is also approved for use in aeroplane seats. Patented airpads provide increased side impact protection for the head area and a removable sun shade ensures even more travel comfort.

**Group 1 BMW Junior Seat with ISOFIX**

(not pictured)  
The Group 1 BMW Junior Seat in black/blue or black/Anthracite is, in conjunction with the ISOFIX base, the

safe choice for children from around 12 months to four years (approx. 9–18kg). The seat shell can be attached in a forward or rearward-facing position and, with its patented air pads, offers increased side impact protection for the head.

**2 Group 2/3 BMW Junior Seat**

This seat, in black/Anthracite (pic 2) or black/blue, "grows" as required, allowing long-term use for an age group ranging from three to 12 years (approx. 15–36kg). It is attached via the three-point safety belt and can be secured to the vehicle's ISOFIX anchor points for extra stability. At the same time, patented air pads and high side bolstering provide optimum side impact protection for the head area. The seat also adapts to the angle of

the respective car seat. Additionally, the backrest of the Junior Seat has a folding function, so it is easy to carry outside of the car.

Original BMW Accessories  
still on winning form – Red Dot 2014.

Tailor-made for your BMW, awarded by the Red Dot jury: BMW child seats.

## SIGHT AND SOUND – IN STYLE.

### ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

**1 Travel & Comfort system –  
Apple iPad™ mini holder**

This clicks into place in the base attachment of the Travel & Comfort system and offers secure hold for all compatible Apple iPad™ mini devices, with or without retina display. Thanks to its 360° rotatable frame and tilt adjustment, it also allows each rear passenger to set up their ideal viewing position.

**2 Travel & Comfort system –  
Apple iPad™ 2, 3 or 4 holder**

This holder simply snaps into the base attachment of the Travel & Comfort system and provides secure hold for all Apple iPad™ 2, 3 and 4 devices. Thanks to its 360° rotatable frame and tilt adjustment, it also allows each rear passenger to set up their ideal viewing position.

**Digital roadmaps (not pictured)**

Up to 15 per cent of the road network changes every year, but with the latest digital roadmaps you are always in the picture. Depending on country version, they offer congestion warnings and RDS/TMC (Traffic Message Channel) functions. Model-dependent annual updates, including certificate, are available via DVD or USB stick.

**1 Tablet DVD system**

The high quality tablet DVD system, with either one or two portable monitors, delivers unparalleled entertainment in the rear. The DVD player and the loudspeakers are integrated and the system can play video, music and images from various storage media.

**Infrared stereo headphones (not pictured)**

The infrared stereo headphones are specially designed for the tablet DVD system. They offer impressive sound quality and excellent comfort, particularly for children.

**2 + 3 BMW Car Hotspot LTE**

The BMW Car Hotspot LTE provides an unparalleled high-speed internet experience for up to eight users. All that's required is an LTE-enabled SIM card in each device. The mobile hotspot is easy to install and, thanks to an integrated battery, can also be used outside of the vehicle.

**4 + 5 Snap-in adapter**

A secure docking and charging system for mobiles from Apple, Samsung, Nokia, Motorola and other manufacturers. To ensure optimal network connection, the adapter uses the vehicle's exterior aerial. The Snap-in adapter is available in Basic, Music, Media (pic 4), Connect and Connect Universal (pic 5) versions to suit the vehicle and its equipment. These allow audio stored on a mobile to be played through the vehicle's speakers. The adapter also enables convenient operation via the iDrive Controller, multifunction steering wheel or radio.

**6 USB adapter**

The USB adapter allows for the integration of compatible Apple iPhone™ and iPod™ devices into the car for individual music enjoyment with simultaneous charging. Operation is via the iDrive Controller, the multifunction steering wheel or the radio, and audio is played back through the car's loudspeaker system.

**1 Trailer tow hitch with fully electric swivelling tow bar**

Approved for high trailer loads of up to 1,800kg (with a nose weight of up to 75kg). With trailer stability control. When the tow ball is pivoted to the side, the tow hitch is not visible. A version with a removable tow ball is also available.

**1+2 Bicycle/e-bike holder for trailer tow hitch**

The bicycle holder for two bikes/e-bikes can be mounted on the trailer tow hitch and features a fold-down function for easy access to the luggage compartment. A ramp for convenient loading, an extension set for a third bike and a transport bag are separately available.

**Racing cycle holder, lockable** (not pictured)

Suitable for all BMW roof carrier systems, this allows for the safe transport of up to four racing bikes. A

separately available front wheel bracket also enables the attachment of quick-release wheels that have been removed.

**3 Touring cycle holder, lockable**

This lockable holder in high-strength aluminium allows the safe transport of a racing, touring, child's or mountain bike. Bicycles weighing up to a maximum of 22.5kg can be attached using an easy-to-use clamp system.

**3-7 BMW roof rack**

The roof rack can be combined with all BMW roof bar systems and roof boxes. It is particularly easy to fit and, with its robust construction and anti-theft locking system, meets the highest quality and safety requirements.

**4+5 BMW roof boxes**

These contemporary boxes fit all BMW roof carriers and feature a two-side opening system with triple central locking on each side. Available in three sizes – 320, 350 and 460 litres (pic 5) – and four elegant colour combinations.

**6 Ski and snowboard holder, lockable**

The highly adaptable lockable ski and snowboard holder is suitable for all BMW roof rack systems. For the secure transport of up to six pairs of skis, four pairs of skis with ski poles or two snowboards and two pairs of skis with ski poles.

**7 Surfboard holder**

For securely attaching a surfboard and mast to the BMW roof rack. Impressively easy to use thanks to its innovative mounting system.

**1 Luggage compartment mat, fitted**

This non-slip, water-resistant and durable fitted mat with raised edging protects the boot from dirt and moisture. It also has pockets, left and right, for storing smaller items. Available in black, black/red and black/beige (pic 1).

**2 Ski and snowboard bag**

The ski and snowboard bag can be used to carry up to four pairs of skis or three snowboards in the vehicle and is available in different designs. For optimum safety, the bag

needs to be secured using tie-down straps and supplied carabiner clips that hook into the existing lashing eyes.

**3 Folding box**

The folding box has a capacity of 20kg and is ideal for carrying smaller items or for use as a shopping crate. Velcro fastenings make it quick and easy to set up and fold down, it is non-slip and can be stored to save space. Available in black, black/red and black/beige (pic 3).

# SPA TREATMENT FOR YOUR BMW.

Sparkling paintwork, immaculate leather, a highly polished look. With Original BMW Care products, you can give your BMW some very special treatment. Perfectly designed for high-quality materials, they provide gentle care and strong protection. And whether it's for the interior or the exterior, the wheel rims or the windscreen, you will always find exactly the right solution for any task.

## PREMIUM CARE WITH ORIGINAL BMW CARE PRODUCTS.

## AN ATMOSPHERE OF PURE WELL-BEING.

BMW Natural Air products are the most convenient way to create a refreshing interior atmosphere. Fragrance sticks can be placed in a special holder that attaches quickly and easily to any BMW ventilation grille. The sticks are interchangeable and the intensity of their scent can be adjusted by hand. The BMW Natural Air starter kit comprises a holder, colour-matched to the interior, and a fragrance stick in either Purifying Green Tea, Energizing Tonic or Balancing Amber. And there's no chance of any leakage because the sticks contain no fluid.

Create an atmosphere of well-being and an even more enjoyable ambience – with scents extracted from essential natural oils and made exclusively for BMW.
