# THE NEW BMW 3 SERIES GRAN TURISMO. ORIGINAL BMW ACCESSORIES.

ENTER A WORLD OF ENDLESS POSSIBILITIES.

## ROOM FOR FREEDOM.

The new BMW 3 Series Gran Turismo does more than meet expectations, it comfortably exceeds them. This car unites the seemingly irreconcilable – sporty, elegant coupé character and an impressive feeling of space. And both the exterior and the interior are full of surprises, from major innovation to the smallest detail.

You can also express your own unique personality with the BMW 3 Series Gran Turismo thanks to a wealth of individual options from Original BMW Accessories.

### Complete winter wheels (not pictured)

Specially designed for this vehicle. Available in 17 and 18 inch.

### Mud flaps (not pictured)

Protect your car and the vehicle behind you against dirt and loose chippings. Available for front and rear wheels.

### Recommended tyres

When buying new tyres, we recommend that you choose those marked with the five-pointed star on the sidewalls. Extensively tested by BMW and tailored to your BMW model, they ensure an unforgettable driving experience. Your BMW Service partner will be happy to advise you.

### 6 Car Cover Future

With its aerodynamic looks and graphics that harmonise with the vehicle's design language, the car cover underlines the sporting character of your BMW 3 Series Gran Turismo. Protects against dirt, dust, water and scratches. It can be used indoors and out and is suitable for all seasons. Machine-washable up to 30°C.

### Car cover for windscreen and front side windows (not pictured)

Special silver-coloured protector for the windscreen and front side windows with a dirt-repellent and water and heat-resistant surface. With BMW web address.

➤ Further information on all wheel-and-tyre combinations and complete winter wheels can be found in the Accessories section of the BMW website.

# ELEGANCE MEETS FUNCTIONALITY.

## ORIGINAL BMW INTERIOR ACCESSORIES.

### 1 - 4 Travel & Comfort system

The base attachment for this modular system simply mounts between the headrest bars and can be used for hangers, a folding table, a universal hook or an Apple iPad holder (see page 7).

### 5 Backrest bag, Luxury

Your multi-faceted companion. The bag can be filled with small items before setting off and easily attaches to the rear of the driver's or passenger's seat. In a high

quality combination of genuine leather and finely structured fabric. Also available in other combinations for the Sport and Modern versions as well as black.

### 6 Rear storage bag, Luxury

Striking design meets intelligent functionality. In hard-wearing material, the bag can be filled with items at home and attaches to the centre belt on the rear seat. In a high quality combination of genuine leather and finely structured fabric. Also available in other

combinations for the Sport and Modern versions as well as black.

### Glasses and CD/DVD holder (not pictured)

Twice as functional, twice as easy. Simply attach to the sunshade and it's done. CDs or DVDs can be stored on the inside, a pair of glasses on the outside.

4

### Auxiliary heating (not pictured)

For warm interior comfort before you start a winter's journey. The pre-heated cooling circuit also means that the engine is protected during start up and fuel consumption is reduced. The system is operated either through the T91 or T100 remote control. The T100, along with its general Teletstart features, has the Heating Time Management system. Simply enter your departure time, set the comfort level on the display and the system calculates the optimum, energy-saving pre-heating time according to the car's

interior temperature. For the utmost convenience, Thermo Call enables direct activation and temperature setting by phone or SMS, regardless of range. The matching BMW Thermo Call app makes the feature even easier to control.

### 7 Key case for the Luxury Line

Attractive fine-leather case for the ID fob of your BMW 3 Series Gran Turismo. Also available in other Line colours.

### 8 Textile floor mats

A perfect fit, dirt-repellent and water-resistant. The Luxury version is in a deep matt black and features the BMW logo in a metal insert. Other versions also available.

### 8 M footrest

Makes a bold impression in the footwell.

### 8 M doorsill finishers

To complement the M features.

# INFOTAINMENT AT THE HIGHEST LEVEL.

## ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

### 1 Tablet DVD system

Two portable seven-inch monitors for mounting on the headrests. The DVD player, integrated into one of the monitors, plays video DVDs plus photo and audio CDs (including MP3 format). Pictures and music from USB sticks and memory cards can also be viewed/played. Perfect sound is delivered by **infrared stereo**

**headphones** specially developed for the system. They offer individual volume control and excellent comfort.

### BMW Car Hotspot LTE (not pictured)

The mobile internet experience has entered a new dimension. With the BMW Car Hotspot LTE, you and your passengers can go online with up to eight wireless devices – and all at LTE data speed. All that is required

is for a SIM card to be inserted into the BMW Car Hotspot LTE or a mobile phone with a SAP interface. The BMW Car Hotspot LTE fits into the snap-in adapter in the centre armrest or, thanks to its integrated battery, can be used outside the vehicle. If the LTE network is not available, UMTS (HSDPA) or GSM can be used. Roaming while abroad can be optionally deactivated.

### 2 BMW holder for Apple iPad

Rear passengers can simply snap in any iPod model to the base support of the Travel & Comfort system (see page 4) for ease of use. Adjustable for height and angle, the holder can also be placed in a provided stand and used outside the vehicle.

### 3 BMW smartphone holder

Available for iPhone and Samsung Galaxy models. Attaches to the windscreen and allows for horizontal or vertical mounting of the smartphone. Insertion of an NFC-enabled device automatically activates the BMW Wireless app for optimum in-car telephony or the playback of music through the vehicle's speakers. Includes a 12-volt USB charger and is fitted without any visible cabling.

### 4 Snap-in adapter

Docking system for current mobile phones from Apple, Nokia, Motorola and Sony Ericsson as well as RIM BlackBerry® devices. In conjunction with the mobile phone preparation with Bluetooth interface, the adapter charges the phone while optimum network reception is ensured via the vehicle's external aerial. Depending on vehicle equipment and the mobile phone being used in the snap-in adapter, music files stored on the phone can be played and album covers are shown on the Control Display. BMW apps can also be used.

### 5 Adapter for multimedia connectivity

Allows you to connect Apple iPods/iPhones, MP3 players or smartphones from other brands to the audio system. Includes charging function and the display of titles and playlists. Operation is easy either via the multifunction steering wheel, the iDrive Controller or the radio.

### Digital roadmaps (not pictured)

Up to 15 per cent of the road network changes every year, but with the latest digital roadmaps you are always in the picture. Depending on country version, they offer congestion warnings and RDS/TMC (Traffic Message Channel) functions. Model-dependent annual updates, including certificate, are available via DVD or USB stick.

# THEORY GETS PRACTICAL.

## ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.

### 1+2 Bicycle/e-bike holder for trailer tow hitch

For the transport of up to two bicycles or e-bikes. An extension set for a third bike is available. The holder and bikes are secured against theft. The holder pivots down to allow tailgate access and can be folded and stored in the boot.

### 1 Trailer tow hitch with fully electric swivelling tow ball

For high trailer loads of up to 1,800kg, with a nose weight of up to 75kg. With trailer stability control. Retracts out of sight.

### 3 Luggage compartment organiser

Protective fitted luggage compartment mat and intelligent transport system in one. A movable upper section allows for the manoeuvring of heavy objects in the boot and also provides load-sill protection. Thanks to a pull-out divider and two side pockets, small items can also be carried securely and without slipping.

2

### 4 Luggage compartment mat, fitted

This impressive non-slip mat in hard-wearing plastic fits perfectly and lies completely flat. It also features storage pouches on the left and right for smaller items such as gloves. Oil and solvent-resistant. Available in the Sport and Modern versions as well as black.

### 5 Ski and snowboard bag, Luxury

Unlike other similar products, this allows up to four pairs of skis or three snowboards to be transported securely and cleanly. It attaches to the front lashing eyes in the luggage compartment, is easy to detach and also has two wheels so the bag can be pulled with ease outside the vehicle. Tested according to high BMW quality and safety standards. In a high quality combination of genuine leather and finely structured fabric and featuring the BMW logo in a metal insert. Also available in other material combinations for the Sport and Modern versions as well as black.
